## WHO ARE WE?

We are a group of women from different cultures, who speak several languages and help immigrants to discover the social and community services available to them.

Our goal is to create a bridge between newly arrived families of the Centre-Sud neighbourhood and the services and resources that exist.

## WE OFFER FREE SERVICES TO IMMIGRANT FAMILIES

- ☞ Identify the needs of families and offer them assistance.
- ☞ Inform them about the functioning of Québec's society.
- ☞ Accompany families to multiple organizations and resources.
- ☞ Translate and help them understand documents in French.
- ☞ Promote multiple activities available in the neighbourhood.
- ☞ Inform new residents about the opportunities available in various organisations.

## WE OFFER FREE SERVICES TO COMMUNITY ORGANIZATIONS

- ☞ Support during meetings with immigrants.
- ☞ Translate and interpret assistance in many languages.
- ☞ Help with the mobilisation of new families to encourage their participation in community activities.
